

MY BODY SAFETY RULES

MY BODY IS MINE AND IT BELONGS TO ME!

I can say "No!" if I don't want to kiss or hug someone. I can give them a high five, shake their hand or blow them a kiss. I am the boss of my body and I what I say is final!

I HAVE A SAFETY NETWORK

These are five adults I trust, and at least one of them is not in my family. I call these adults my Safety Network. I can tell these people anything and they will believe me. If I feel worried, scared or unsure, I can tell someone in my Safety Network how I am feeling and why I feel this way.

SECRETS

I should never keep secrets that makes me feel bad or uncomfortable. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult in my Safety Network straightaway!

EARLY WARNING SIGNS

If I feel frightened or unsafe I may sweat a lot, get sick in my tummy, become shaky and my heart might beat fast. These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult in my Safety Network rightaway.

PRIVATE PARTS

My private parts are the parts of my body under my bathing suit. I always call my private parts by their correct names. No one can touch my private parts. No one can ask me to touch their private parts. And no one should show me pictures of private parts. If any of these things happen, I must tell a trusted adult in my Safety Network right away.
